We wish to thank the volunteers who came out for the 2014 Day of Caring on June 21, 2013 and helped make the event a huge success! Volunteers spent the morning "beautifying" Oak Harbor's parks, painting and staining at Toddler Learning Center, painting and lawn work at South Whidbey Children's Center, and painting at Senior Services of Island County. We couldn't have done it without you! Check out our facebook page for photos from each of the Day of Caring sites.
